

Anti-Bribery and Anti-Corruption Policy

Mission

Improve the quality of life of the community in which we are involved through the knowledge economy, creating a corporate culture focused on individual and social well-being, and carrying out our activities with passion, commitment, and excellence.

Vision

Be a leader in innovative, knowledge-based technology solutions, focused on generating highly profitable business with flexibility and adaptability for the energy market.

Attributes

- Innovation
- Excellence
- Expertise
- Integration

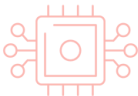

Through this Policy, BLC Global lays the foundation for its strategic direction, focusing on:

Conduct its activities under the principles of integrity, transparency, and accountability, preventing any form of bribery, corruption, or improper advantage, and promoting an organizational culture based on ethics.

Ensure that members acting on its behalf refrain from offering, promising, authorizing, giving, soliciting, or accepting, directly or indirectly, any form of bribery involving stakeholders, whether public or private.

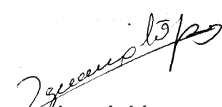

Ensure strict compliance with national and international anti-corruption laws through the implementation of control systems and prevention mechanisms.

Objectively investigate any suspicion of bribery, corruption, or regulatory noncompliance. Apply the appropriate disciplinary measures in the event of a violation and report such situations to the competent authorities, actively cooperating in investigations, with such conduct potentially resulting in civil, administrative, or criminal penalties.
